

1. OBJECTIVE OF THE CASE STUDY

The objective of the case study is to investigate the impact of a new policy on employee attendance.

2. METHODOLOGY

The methodology involves collecting data on employee attendance before and after the policy implementation. The data will be analyzed using statistical techniques to determine the effectiveness of the policy.

3. RESULTS

The results show a significant increase in employee attendance after the policy was implemented. The policy was found to be effective in improving attendance.

4. CONCLUSION

The case study demonstrates the importance of employee engagement in policy implementation. Further research is needed to explore the long-term effects of the policy.

5. ACKNOWLEDGMENTS

The authors would like to thank the management for their support and assistance in conducting the study.
